

# PRAYER FOR THE HOMELESS PRAYER FOR SAFETY

Heavenly Father, today, we lift up the homeless to You in prayer, asking for Your divine protection over their lives.

In a world that can often be harsh and unforgiving, we ask that You keep them safe from harm. Shield them from the elements, protect them from those who might wish to exploit or harm them, and guard them against illness and disease.

Lord, we also pray for their mental and emotional safety. Provide them with peace of mind amidst their struggles, comfort in their loneliness, and strength in their despair.

We ask that You guide the efforts of organizations and individuals dedicated to providing safe spaces for the homeless. Bless them with the resources they need to continue their valuable work and inspire more people to join in their mission. Amen.
