

# PRAYER FOR THE HOMELESS PRAYER FOR PROVISIONS

Heavenly Father, we come before You today, beseeching Your divine intervention for those living without homes. We pray earnestly for their needs, both seen and unseen.

Lord, we ask for provisions to meet their physical needs. May they have access to nourishing food, clean water, warm clothing, and safe shelter. In times of illness, provide them with medical care and healing.

We also pray for their emotional and spiritual needs. Grant them strength, resilience, and a sense of hope that can only come from You. Let them feel Your love and presence in their lives, reminding them they are not alone or forgotten.

Inspire those who can help to extend their hands in generosity. Bless the organizations and individuals who work tirelessly to provide these provisions. Guide them in their efforts and multiply their resources. In all things, we trust in Your providence, Lord. Amen.
