

SOAP

BIBLE STUDY METHOD

S

Scripture:

Read the Bible passage for your study. Write down the verse or verses that stood out to you in your reading.

O

Observation:

What did you notice in the verses that you read? Are there any patterns, repetitions, or themes? Write down what strikes you from the text.

A

Application:

How can you apply the observations you made to your own life? What changes can you make or actions can you take based on what you read?

P

Prayer:

Pray about what you've learned from your study. Ask God to help you apply the teachings in your life. This could be a prayer of gratitude, confession, seeking wisdom, or a request for guidance.
